"Super-Thrift"

**Completely Re-Designed, Outside and In — Dozens of Smart Refinements — Far Ahead in Quality, Far Below What You Would Expect Such Homes to Cost!**

**T**OMORROW'S HOMES . . . TODAY! These new 1952 National "Super-Thrift" Homes have been planned to meet your housing requirements now, and for the years to come.

With a selection of 27 enchanting new styles, they offer you the utmost in individuality and variety. And in the 13 efficient floor plans, of two, three and four bedrooms, with or without basement, you can find exactly the home you have always hoped to own.

Your eye is first caught by the lower, smarter roof lines, with extra-wide overhanging eaves. This gives added beauty to the exteriors, added shelter from the elements.

Charming entrances of exquisitely decorated doors, pleasingly framed by attractive porches, accentuate the modern yet comfortable Cape Cod styles. Other designs embody the sweeping, hospitable lines of the rambling Ranch-Type home. Still others offer you the ever popular Traditional style with hip roof, for three- and four-bedroom houses.

Select one of these newest National Homes, and you will truly have a home that will be ultra-modern as long as you live!

## Porches, Garages and Breezeways

National Homes' buying power affords a worth-while saving in garages, as well as in porches and breezeways. These may be ordered at the same time as the home, to match the home in finish, and their cost included in the original financing.

PORCHES are available in a variety of styles and sizes to suit the owner's tastes and needs.

GARAGES are 16 feet wide, with generous storage space for lawnmower, bicycles, etc. Overhead-type doors are standard equipment, supplied by your National dealer.

BREEZEWAYS are designed to join house and garage in architectural harmony. Here National also gives big savings!

## KNOW YOUR *National Homes* DEALER-BUILDER

PROSPECT HOMES, Inc.,  
UNION CITY ROAD,  
PROSPECT, CONN.  
TEL WATERBURY 5-0489

There is only one way to buy a National Home: through the authorized dealer-builder in your community. He heads up an independent business firm, carefully selected for integrity and reliability.

The dealer purchases structural home parts from us, and is responsible for the foundation, masonry, plumbing, wiring, heating, roofing, painting and all other phases necessary in erecting your complete home.

He arranges for procurement of lots, building permits and other details, including financing. He gives personal service after you move in, to assure your full satisfaction. You will find your National Homes Dealer-Builder a good man to deal with. Consult him before you build or buy any home.

Due to variations in local conditions, only your local National Homes dealer-builder can quote you completed home prices.
